

The closure of educational institutions across the country in the wake of coronavirus outbreak has come up with an additional responsibility for most parents that require keeping their children healthy, happy and learning at home. It is important that parents listen to the concerns of their children patiently, answer their questions kindly and keep their children inspired and motivated to return to school.

Spend more time with your family

Talk about prevention against coronavirus

Get creative together

Play and exercise

Involve children in household chores

Promote healthy eating

Try to limit screen time

Let children chat to friends
