POST-FLOODS RESILIENT RECOVERY AND STRENGTHENING OF THE LIVESTOCK SECTOR IN BALOCHISTAN

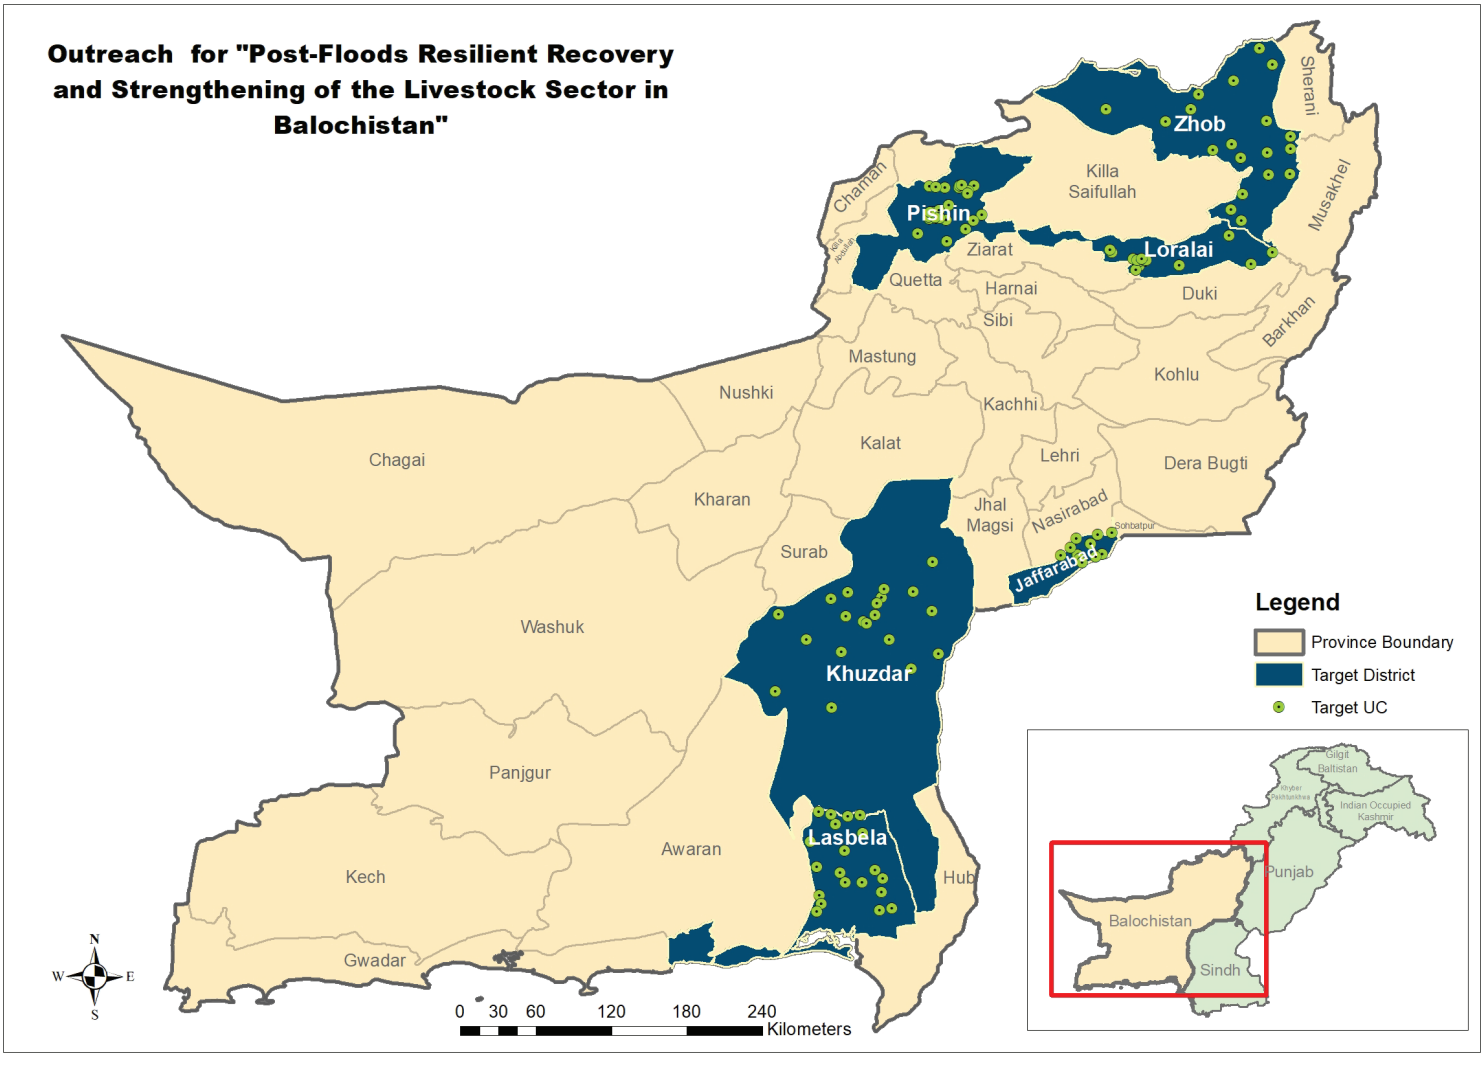

Funded by the European Union

Funded by the European Union and implemented by Pakistan Poverty Alleviation Fund (PPAF) and Food and Agriculture Organisation (FAO), Post-floods Resilient Recovery and Strengthening of the Livestock Sector in Balochistan is a 5 year project that aims to strengthen Micro, Small and Medium Enterprises (MSMEs) in the livestock sectors, particularly sheep, goat, and poultry value chains, that were severely affected by the 2022 floods.
